CITY AND MERCY MINISTRY OPPORTUNITIES

Tutoring/Mentoring at Washington Montessori Elementary

As we continue to cultivate a partnership with Washington Montessori Elementary School there are impending opportunities to tutor and mentor the kids there in literacy and math skills. If you are interested in learning more about this opportunity and how to get involved, [click HERE.](#)

Neighbor's Keeper- May 17th

Each month Centennial Christian Church prepares and hands out 50-100 bags of non-perishable food items, along with a fresh sandwich, to houseless people throughout the city. Bags are prepared on the third Friday of the month, and then handed out the next day, the third Saturday of the month. They will have all of the supplies and food items laid out and ready for us. Someone from the church will be there on Friday evening to let us in, and then lock up. So, we kindly ask that you be on time and be ready to serve :) This is a simple yet practical way to serve and love our neighbors! To register, [click HERE](#).

VOLUNTEER MINISTRY OPPORTUNITIES

Children's Ministry Volunteers

Children's ministry is in GREAT NEED for more volunteers!! Our greatest need is with the Grades K-5 kids, which is a commitment of approx 30 minutes on a Sunday morning (during the sermon). We have a teaching role, which prepares a lesson from our set curriculum, and we have a support role, who is mainly there to help with the kids' focus and having activities go smoothly. Additional training can come with these roles to help you feel more equipped for serving in this capacity.

We also have some needs with our nursery. This is a commitment from approx. 10am to noon, with kids ranging 6 months to 4 years old. We have around 4 kids present each week, and the focus is on play and caring for the kids as we don't have a set curriculum.

Both programs are a blast and a half! Please contact Jessica to express interest and ask questions! Kids@centralwestendchurch.com

Community Group Leaders and Hosts Needed

Contact Suzanne Heins at groups@centralwestendchurch.com for more information related to Community Groups at Central West End Church. Also, if you're feeling a call to host and/or lead a community group, please complete this [Leadership Application](#).

Sound/Video Team

Sunday Mornings - arrive at 9:15. All training is provided - we are seeking help with the sound and visual aspects of the Sunday morning worship service! Contact the Sound/Video Ministry through the [connect card](#).

Set Up Captains

Every Sunday morning we arrive at 9:15 to prepare coffee and communion, set up chairs, and more as we prepare for worship together. It is super easy and such a fun way to meet other people at our church! Consider helping out by contacting David Lambacher at david@centralwestendchurch.com for more information.
